Note on Periodical Abbreviations

Periodical abbreviations cited in *Psychological Abstracts* follow those of the *World List of Scientific Periodicals*, 2nd edition, 1934 (Oxford University Press). A key to periodical abbreviations was published in *Psychological Abstracts*, 1941, 16, 641-649, and included all those periodicals represented in that volume.

The Philosophical Library, publishers of books and journals of distinction, deem it a privilege to present the following new and up-to-date volumes:
